General Clubmeeting Minutes 8-2-91

The August general clubmeeting was opened at 7:08 at the Spenard Recreation Center. Introductions and announcements were made. According to Harley, KL7IYZ, the Adopt-A-Highway program will not happen this year. But set aside May, July or September of next year to help clean up Potter's Marsh. Vests and a sign will be ready by May of next year.

The UHF repeater may be moved, possibly as early as next week. Several new possibilities for sites are being prepared.

El Presidente, Fred, KL7HFM, gave a brief report on the origin of the word "ham". The info came from Florida Skip Magazine, 1959, KB6HLK.

A short program was presented by Ray Morris, KL7C, in which he told a very interesting story of how amateur radio got a Denver shunt into Moscow to save a young boy's life.

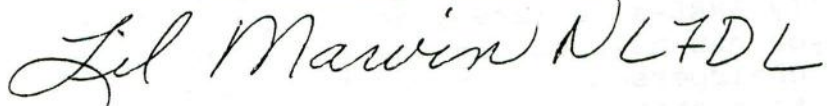

El Presidente, Fred, KL7HFM, gave a short report on the fate of the infamous Field Day Trophy. It fell into the hands of ARRL Northwest Division Director Mary Lewis, W7QGP, who had the good sense and good taste to turn it over to Vince Vonder Heydt (ex-WL7L. New call??) Except for its creator, nobody deserves it better. Please, please, please KEEP IT VINCE !!!

Susan, NL7NN, and hamfest chairperson, gave a hamfest report and twisted arms for volunteers. (I taught her well!!!) She also asked for help in locating a hamfest site. If you know of any good possibilities, contact Susan at 243-5833.

The well-deserved raffle ~~prizes~~ prizes were awarded.

Lil made the usual pig out of herself at the eating-after-the-meeting at Elmer's.

(Semi)Respectfully Submitted,

A handwritten signature in cursive script that reads "Lil Marvin NL7DL". The signature is written in dark ink and is positioned above the printed name.

AARC Boardmeeting 8-14-91

The boardmeeting officially opened at 7:14 PM. The following boardmembers were present: Fred KL7HFM, Bill AL7BB, Rick KL7YF, Lil NL7DL, Bill KL7ITI, Arlene KL7HO, Barbara NL7SU, Eric AL7IM, Fielder KL7FHX. Also present were the following: Roger KL7HFQ, Harvey NL7DK, Harley KL7IZZ, and Susan NL7NN.

There is 14,404.19 in the gaming account.

The new club membership patches should arrive before hamfest time (Sept 21 and 22). If you have joined the club and never received a patch, see Lance. Lance also reports a membership of 365 with 67% being members of ARRL.

The VHF committee reports that it is necessary to move the uhf repeater because its tower is coming down. The 147.90/30 repeater's antenna has been stabilized and some of the hardware replaced. An attempt will be made in the near future, weather permitting, to put up a mast. An antenna has been ordered.

The August 4th Triathlon, headed up by Rob KL7JHQ, went very well. Also participating were Kitty NL7XC (Mrs. Rob), Al NL7XT and Pete WL7CCN. Tnx to all for participating, and to Rob for doing such a good job.

The fall-to-Christmas raffle will again be an all-Icom event. Look to Lil to be either selling you a book of tickets or breaking both of your arms. Your choice!!!!

George Sharrock NB4U will be the guest speaker at our next general meeting. He will discuss ham communications during the 1964 earthquake.

We're still looking into the Mt. View Recreation Center as a future site for our ham club meetings.

Fielder will investigate the possibility of a membership discount for our senior citizens in the club.

Fred KL7HFM appointed a committee to investigate the editing and changing of the club by-laws. The committee includes the following: Fielder KL7FHX, Barbara NL7SU, and Bill KL7ITI.

Our treasurer needs a new computer. The general clubmembers will decide at the next meeting whether to buy it locally or not, as a longterm club investment.

We renewed our ARRL club affiliation and our hamfest is now officially ARRL-affiliated, according to Susan.

If you can help out in any way with the hamfest, contact our hamfest chairperson, Susan NL7NN at 243-5833.

It took about a nano-second to empty the boardroom at 9:00, because that's about when the meeting came to a merciful end.

(Semi-)Respectfully Submitted,

Lil NL7DL

FLEA MARKET COUNTRY STORE CHANGES.

This year there will be a few changes in the operation of the AARC Country Store. Each year the volume of business for the "Little Ole Storeworkers" has grown to the point that a few changes were warranted.

1. Starting this year, a donation of 20 percent will be expected for all items placed in the Consignment area of the Store. This has been deemed necessary simply because at the old rate, we were in direct competition with the individuals who rent table space at the event.

2. Also this year, there will be two separate areas of the Country Store. One area will be exclusively Consignment Sales, and the other will be the old standard "Quality Junque" items of yesteryear. The volume of business for Consignments has grown to the point that separation is mandatory.

3. Starting this year, only ELECTRONIC related items will be accepted for Consignment sales. All others will be rejected, regardless of how small the quantity. We regret having to do this, however, as noted above, the volume of consignment items offered make this necessary.

Also, please take note that the "Little Ole Storeworkers" are volunteers who have offered to give up some of their "Quality" time to man the store, and like you are only human. You will note at times the area around the Store is like a Three Ring Circus, with everyone flocking in for the "good deals", and during these peak times things get a bit confusing, however, bear with us, and we will eventually serve you with a smile on our face, and the idea of getting as deeply into your pockets as possible for the good deals we have for you.

In addition to the same old smiling faces of Fred, KL7HFM, Bill, KL7ITI, and Billy Bob, AL7BB, look for Keith, N5FYW, and Tom, NL7TZ at the Store. Anyone wishing to place items on Consignment, or make "Junque" donations to the Club, Contact B.B., 337-2916, or Fred 274-3464.

UPDATE ON DOUG - KL7IKX

Doug Dickinson - KL7IKX was operated upon on August 23rd for a non-malignant brain tumor. The doctor has given a grade of 98.5 to the process. As of the 25th things were improving rapidly. He was to go directly to the Orthopedic Ward on the 26th. There is some weakness on the left side, but that seems to be improving. Doug will be in the hospital for 7-10 days and then goes home. He will be off work for three months and will not be driving for many months. Understand the doctor has prescribed 3 months in the Ham shack so listen for Doug on the air. Let's all send Doug a card wishing him a rapid recovery. Send cards and letters to: Doug Dickinson, POB 110872, Anchorage, AK 99511-0782. We all wish Doug a rapid recovery. Carole, if you need any assistance, just spread the word. 73s
